Newsletter January 2010

Dear Praying Friends,

Happy New Year!

As we start our new year, most of us have much anticipation for what will become of this year. I pray that each of us will set forth Godly goals. We have much for which to thank God, not only in what we have to look forward to but what God has blessed us with in the past. In 2009 the Carpenter family saw some wonderful things happen in our lives. Star's family had been living with us for six months while her dad went through chemotherapy. God chose to allow him to go into remission and return to their mission field of Romania. In January we were able to go to Puerto Rico to preach in several churches and minister to the missionaries. This summer we were able to go on our second Missions trip to Mexico as a family, and we are so thankful for God's protection while in Mexico. On October 7 our fourth son, Aleczander, was born. We have seen God's blessing as we continue to present the ministry in churches. God has blessed us with several new churches who have taken us on for monthly support. Our total support level as of right now is 90 percent. We praise God for his grace and mercy to use us and bless us as we serve him in the production of His Word.

In 2009 the Print Shop saw several major events take place. This year was the 30th year of ministry for Bearing Precious Seed of Oshkosh, Wisconsin. We were able to upgrade several pieces of equipment including two newer presses. In the spring and the fall we had a Scripture publishing day at Wyldeewood Baptist Church. Over 25,000 New Testaments were assembled in those two days alone, with most of these Scriptures going to Africa. We were also able to complete 25,000 Spanish John and Romans as well as 2,100 Spanish New Testaments most of these were sent to Mexico. We also completed over 76,000 English John & Romans that went all over the world including Africa, Moldova, Philippians and India among other places. We also completed several other smaller projects in 2009.

As we share with you the things that are accomplished each day in the Print Shop, many times we neglect to thank all those involved in helping us get the Word of God assembled. Many churches faithfully support us both financially and prayerfully. Others come from time to time to help us assemble Scripture. The people that I would especially wish to thank are those from our own church who come every Tuesday and Wednesday to work in the Print Shop. Their time and sacrifice makes it possible for us to send so many of these Scriptures out each year. Thank you Wyldeewood Baptist Church volunteers.

Happy in the service of the KING,

Tim & Star Carpenter
