

Dear praying friends,

2010 Winter Olympics Vancouver B.C.

One hundred thousand scriptures in twenty two languages along with one hundred and forty of God's servants from the USA and Canada converged on the winter Olympics. To use the words "exciting" or "fantastic" would be an understatement. God truly moved

as we went out into the streets each day handing out John and Romans to people from literally all around the world. We are thankful to David Hardin, the leader of the Olympic Bible Project. This project was started for the 1984 Olympics and has been

witnessing at every Olympics since that time. We are also thankful for Pastor Conner and the Greater Vancouver Baptist Church for hosting this outreach. Words will never

express the thrill it was to have a small part in this monumental task. Only eternity will tell what was really accomplished as we dealt with tens of thousands of people in just two weeks time. Pray that the scriptures that were taken back to all these countries would not only impact the people that received

them but also that others would pick up these scriptures and be moved of the Holy Spirit.

Pray for those that were saved during this time. Pray they will continue to seek after God and be led to good Bible preaching churches in their area. There is such a great need all over the world for

God's Word. Please continue to pray as we send His Word around the world.

Also, please pray for the Carpenters and the Bearing Precious Seed Ministry. Between January 20 and March 8 we have traveled almost 13,000 miles with only 4,000 of them being flown. We are thankful for God's protection and your prayers.

In the shop we are being trained on a new Plate Writer and the associated software. We have also been getting additional training on our presses. We are preparing to send 200 whole Bibles, 5,000 New Testaments and 27,000 John & Romans to Missionary Sam Sanderlin in Cameroon, Africa. Brother Sanderlin is working to resolve a problem with Cameroon customs due to a recent change in the rules. We will be sending another 40,000 John and Romans to West Indies in the next couple of weeks.

On March 14, Brother Jim Hoffman, Director of Bearing Precious Seed of Oshkosh, Wisconsin and Tim will be preaching all day at Wyldewood Baptist Church. There will be a scripture assembly time between the morning and evening service, where an estimated 10,000 English New Testaments will be prepared to send to the Philippines. We try to do a project like this at our church twice a year. Also, this spring we will be working on 100,000 English and Tagalog John & Romans to send to the Philippines.

The last several newsletters included information about our trips to Mexico. Again, we encourage you to take one of these life-changing trips. Please consider going on a mission trip to Mexico in the summer of 2010. Not only will this be a memorable experience, but it will also change your family and your church. Please feel free to contact us at (920) 232-5560, or contact BPS El Paso, Texas, the host of these Mexico mission trips at (915) 857-1122. Presently we are scheduled to go to Mexico June 12-18, 2010.

If you would like to make a donation please mark gifts for Carpenter's, Hoffman's, General fund or a project we are working on that you would like to sponsor. Thank you for all your support!

Happy in the service of the KING,

Tim & Star Carpenter
