## Report Letter June - July, 2008

**“And the gospel must first be published among all nations.” Mark 13:10**

**MINISTRY NEWS:** This has been said before, but where has this summer gone? We have been busy working on 50,000 English John & Romans, 15,000 English New Testaments, and have had several meetings in churches. June 15 -19 we had 4 men from Seedline International Ministry come and together we assembled 5,000 whole English Bibles for their ministry. These were special military covers. We had to collate, bind and trim them in three days. It was a big job but it went well. The men loaded up their trailer and headed home on Thursday. These Scriptures will be given to our military all over the world. I sent some to Paul Stertz, a young man from our church stationed in Iraq. Please pray that God will touch the hearts of those receiving the Scriptures.

June 20-28 Monica and I along with our granddaughter Carrie Brown, Hanna Wirhanowicz from Pound, WI, Rebecca and Anna Sari from Spencer, WI, Danielle Bell, Clarissa Anderson from Gallup, New Mexico, Tim Carpenter and his family all went to Mexico. What a wonderful trip! We originally had 53 more people going but for one reason or another they cancelled. I was considering canceling myself but I was reminded of Gideon's army and decided to go even if one person came along. We are

told in Zechariah 4:10a "For who hath despised the day of small things?" It was a small group but God blessed and we were able to distribute several thousand John & Romans and gospel tracts. We had meetings every night in Juarez,

Mexico and over 100 adults and children trusted Christ as their Saviour! Glory to God! We worked with Pastor Arturo Gonzales and his church. It was great fellowship and a fantastic time! Monica has trouble with hot weather and she prayed for cooler weather. Every evening when we were on visitation, when it was hot, God would send a cloud to cover the sun. One night it rained a little and it cooled right down. God is concerned about the little things in our lives. Amen! I would encourage everyone to go on a Mexico trip next year. You will be blessed. Pray about it and plan to go! I want to thank the Bearing Precious Seed Ministry in El Paso for allowing us to work with them and bring folks there.

We also have been working with Jim Bingham from Bay City Baptist Church in Green Bay, WI. He has been redoing our DVD for the ministry. It has been a tedious job but we will be seeing the completion of it soon.

**Scriptures Needed:** Bro. Tom Needham a missionary in Cameroon, Africa has asked me if we would print the New Testament for the Funlani people he is working with. I told him as soon as they get it translated and proof read to send it to us and we will publish it. Another project, we are praying about and trying to raise money for is to fill a 20' container with Scriptures for Kenya, Africa. Please help us with these projects. Mark your giving Africa projects.

**“He that goeth forth and weepeth Bearing Precious Seed shall doubtless come again with rejoicing, bring his sheaves with him.” Psalm 126:6**

I recently received word from missionary Charles Turner that the John & Romans in the Sinasina language that we printed arrived in New Guinea and as soon as they finish checking the New Testament they will send it to us to print. This is very exciting work. Think about it, these different groups of tribal people will be getting the New Testament in their language soon. They have waited a long time. Praise God and shame on the Devil!

We recently had one church that supports us raise our support a little bit, and another take our family on for support. Praise God!

I wish to thank those folks that have helped in the print shop this summer. You are appreciated by us. And as we look forward to the coming months we hope to be finishing the 50,000 English John & Romans, 2,100 Spanish New Testament along with 900 Portuguese New Testaments, and about 1,000 English whole Bibles.

We get requests everyday for the Word of God. Aren't you glad that someone translated your language and worked to get you the word of God? Missionaries around the world need the Word of God to do their job effectively. Support is needed to buy more paper, materials, and ship the Scriptures to the field. Thank you again for your love, support, and prayers. You are special friends and we love you! May God bless you and use you for His glory! **We serve a Great God!**

**Prayer requests:**

1. Pray for our family as we travel, in the next three months we will be in Washington, Ohio, Kentucky, and Tennessee..
2. Pray for our personal support.
3. Pray for the money needed to produce the Scriptures and ship them to the field.
4. Pray for us to be used of God in a great way and to see many won to Christ this year.
5. Pray for our children and grandchildren.

Yours for the word of God,

Thank you for your support/gifts: June \_\_\_\_\_
