Dear Praying and Supporting Friends,

**Thought for the month:** *“What I have seen teaches me to trust the Creator for what I have not seen.”*

“The Lord *is* good, a strong hold in the day of trouble; and he knoweth them that trust in him.” Na. 1:7

We are a little late with the mailing this month due to our indispensable gal Friday (Mrs. Case), who traveled with the family to Florida to pick up their son William, who is now a college graduate. Congratulations, William!

As usual, the month of April and the first half of May have been busy. We have been active with a six week Sunday school campaign at our church and the annual inspection on the Chieftain. We are also busy making plans for future mission trips to Canada, the Meeting In The Air, Flight Camp, and now the annual inspection on the Cessna 172. We don't have to wonder what we will be doing for the next several months, though the month of June will give us a little bit of a breather. However, we rejoice in the blessing of being busy in the Lord's service!

Brother Rushing's trip to Cameroon was fruitful and profitable for him personally and for the ministries he was there to serve. Brother Rushing returned home the day before the volcano shut things down in Europe. We were all grateful for the Lord's timing and watch care over him.

The plans for working with Missionary Jim Pfaffenroth June 29 through July 23 in Uranium City, Saskatchewan, Canada, transporting Indian children from their villages to Bible camp and home again, are pretty well set in stone, and we are still in need of financing to cover the cost of fuel for this endeavor. Your prayers and support for this project are, again, greatly appreciated.

God bless you abundantly for your faithfulness!! Your gift is, as always, so deeply appreciated, and we could not function without it!!

**Barton Case** is safely home from Laredo, Texas, and had a fruitful time there, as well as a safe and uneventful trip to Florida to pick up son William. He is also doing better with health issues. Thank you for praying!

**Rich Young's** wife Carolyn is still healing from her fall. She is using a walker and receiving therapy. She is home but will not be back to normal for several months yet. **Thank you for praying!**

**Sam Sanderlin:** Please check the blog at [www.sanderlinafrica.blogspot.com](http://www.sanderlinafrica.blogspot.com) for the latest update.

**Flight Camp: August 1 through August 7. We still have room!!**

**Meeting In The Air Conference and Wings As Eagles twenty-fifth year anniversary takes place July 28 through August 1.** Please join us for this time of celebration as we give God the glory for the great things He hath done! Please see enclosed flyer for more information.

Under His Wings,

Brother Bob Warinner

**P.S. All** gifts received by Wings As Eagles are acknowledged in this monthly thank you letter. Please be assured that all designated gifts are distributed to that person or project for which they were designated.
