*Carol Trahan*

Carol Trahan serves on the faculty of Northland International University in Dunbar, WI, where she teaches ladies' Bible and counseling classes. She was widowed as a young mother, and as a result, the Lord has showed Himself mighty, revealing his amazing grace and unfailing love. He brought her to brokenness and the place of complete dependence on Him. God called her into the ministry to show forth His power and sufficiency to ladies in every circumstance of life so that they will know Him intimately and serve Him wholeheartedly.
