Dear Praying and Supporting Friends,

December 2009

Thought for the month: “Christianity is not a religion—it is a relationship.” *“For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counselor, The mighty God, The everlasting Father, The Prince of Peace.” Isaiah 9:6*

What a joy it is to celebrate the birth of that one whose unconditional love compelled Him to come to this earth and give himself as a sacrifice in payment for the price of my sin! Our finite minds cannot comprehend all that that means, but we can *“...praise the LORD for his goodness, and for his wonderful works to the children of men!” Psalm 107:8*

I trust that this Christmas season finds you and yours with hearts filled with thanksgiving for God’s goodness to you! In spite of all the things going on around us today that could discourage us and get us down, we have so much to be thankful for! God is good and He still has a controlling hand on all that is taking place, and soon we will look upon His face! **GLORY TO GOD and SHAME on the devil!!!!**

Juanita is doing very well and we had a wonderful trip to Colorado and South Dakota, celebrating thirty years of ministry with Pastor Wayne Williams at Liberty Baptist Tabernacle in Rapid City, and preaching and sharing the Wings ministry in several churches in the Denver area. Though the blessings of going are numerous, it is always good to get back home!

How can we thank you for your love, prayers, and faithful giving to this ministry? I am lost for words, except to say again, **THANK YOU!!** Your love for us and the Wings ministry means so much to us and keeps us going for a little longer, prayerfully, till Jesus comes for His own! Your gifts are such a blessing, and we praise the Lord for you!!

The New Firewall Forward in Fort Collins, Colorado, owned by Brother Mark Seader, has been so gracious and generous toward us regarding the recent engine overhaul, forgiving approximately \$18,000 of our debt. We still owe them \$2,000, which we sure would love to see paid off this month. If God has blessed you with the resources and you would like to have a part in seeing this debt taken care of, we would be so grateful, and I know Brother Mark Seader would be also. As usual, this is the time of year when all of our other large obligations come due as well, such as aircraft insurance, hangar land lease, etc.... God knows the need and we wait on His supply.

Terry Rushing is presently in Arkansas with his parents, helping his dad with medical issues and also closing down his dad’s business. Terry plans to be home for Christmas and then return to Arkansas for his dad’s knee replacement surgery. Sarah and children are remaining at home and keeping the home fires burning. Your prayers for them, I know, are greatly appreciated!

Barton Case had a great time serving and preaching in Laredo, Texas, and other churches along the way, but he has had a lot of trouble with his heart arrhythmia problem. I know your prayers for him and the family would also be deeply appreciated!

Rich Young is back from the Mexico survey trip, and he had a great time. I appreciate his zeal and determination to keep on keeping on till the Lord takes him home.

Sam Sanderlin and family are doing well. The reports from Cameroon are exciting, and I praise the Lord for all that they are doing in His service in that far away country. I would encourage you to look up their blog at www.sanderlinafrica.blogspot.com

MAY GOD GRANT YOU A BLESSED CHRISTMAS AND A VERY PROSPEROUS NEW YEAR!!

Under His Wings,

Brother Bob Warinner and crew
