April 2010 Newsletter

Dear Praying Friends,

Our hearts are heavy as we have just received news that Star's father's cancer is progressing. He is planning on returning to the states for treatment. Please pray for the family as they have many decisions to make in the coming months.

The Carpenters have a full schedule, both on the road and in the shop this month. In the shop we have some very exciting things happening! We just sent out over 50,000 John & Romans to the West Indies. We are beginning to bind 10,000 New Testaments for the Philippines. Also, we are starting to assemble 100,000 John & Romans for the Philippines. We are currently advancing our training both on press and pre-press procedures. Please continue to pray as we are still having problems sending 37,000 Scriptures to Cameroon, Africa due to paperwork problems with the Cameroon government.

We ask for your prayers for our safety on the road and to get the scripture out in a timely fashion. We trust that God will continue to meet all our personal and ministry needs.

If you would like to make a donation to our Bearing Precious Seed Printing ministry please designate gifts specifically for the BPS General Fund, Tim Carpenter's family, Jim Hoffman's family, or a project we are working on that you would like to sponsor. Thank you for all your financial support and prayers.

Happy in the service of the KING,

Tim & Star Carpenter
