Dear Friends and Family,

“Give thanks to the LORD, call upon his name, make known his deeds among the people.” So begins King David in First Chronicles 16:8 in a Psalm written to celebrate the coming of the ark of the covenant back to Jerusalem. The Psalm is full of exhortations to praise God for who He is and all He has done. We have certainly been blessed by taking some extra time to do this over the Thanksgiving holiday. My family and I had the privilege to go to Illinois to be with family, and on Sunday I was able to teach and preach for a supporting church. We are thankful for the fellowship, for safe travels and for the refreshing time away from school.

I was able to help in the Wings as Eagles open hangar day in October by flying visitors in the Cessna 172 while Terry Rushing flew passengers in the Piper Chieftan (above picture). It was a great day overall having many new visitors who heard the gospel and learned about the Wings as Eagles ministry. Abby and the children are doing well in homeschooling, and they are especially enjoying their weekly time in King’s Kids at our home church (see picture below). Caitlyn is our daily entertainment as she learns to talk and has a great sense of humor.

In October, we were all able to drive together to Superior, Wisconsin and report to a supporting church, Calvary Baptist. It was a great time to renew fellowship with Pastor and Mrs. Schroeder, their family, and our friends at the church. That was the weekend too that the Cubs won the final playoff game to advance to the World Series, and I enjoyed being with fellow Cubs fans during that time (Pastor and his family)! On that note, I don’t mind saying how exciting it was to be in America to see the Cubs win the World Series!

We feel a sense of relief both locally and nationally after the elections, but we pray that our spiritual guard will be up and that our fervent prayers to God will continue for our country. It was such a privilege to be able to vote in person for the first time in many years. Election day in the United States of America can be exciting and is still a modern marvel or miracle. Having witnessed the fear and oppression of election day in another country, we were thankful for the process here. We surely need the Lord to guide our leaders; we need revival as believers; and we pray for more people to come to repentance and faith in the Lord Jesus.

Aviation mechanic school is going very well for me. I am entering into the time for final exams, and I would appreciate your prayers for clarity of mind and ability to recall information on electrical theory, batteries and alternators, aviation history and aerodynamics, ground handling and safety, materials and installation of aircraft hardware, math, FAA regulations and manufacturer publications, and so on!

Tom Needham’s aircraft build project in the state of Oregon has had a great start, and he plans to return to Cameroon in a few weeks. We plan to fellowship with Tom and Barb Needham tomorrow! See below for current events in Cameroon that need prayer.

We pray that you have a blessed Christmas. We are really excited to be able to spend time at our home church and with our families and many others that we don’t get to see while living in Cameroon. May Jesus Christ be praised!

Cameroon: There is both good news and bad news out of Cameroon. The good news is the faithfulness of our friends at Believers Baptist Church. The bad news is concerning the rioting and strikes occurring in the two English regions. Pray for a good solution between the English and French citizens and the government. Pray also for safety for our missionary friends especially but for all who are being impacted by violence or disruptions.

Yours truly in the Lord: Sam, Abby, Elena, Elias, Chloe, and Caitlyn Sanderlin
